

# Code of Respect

- **Say good things, think good things, and treat people well**
  - Brings respect to you and to others 101%
- **Do not lie, cheat, or steal**
  - Honesty is always the best decision
- **No bad language**
  - Cursing does not benefit anyone
- **Respect yourself and others**
  - Makes you feel good about yourself
- **Forgive and ask for forgiveness**
  - This brings you good health

## Possible consequences if not followed

- **Not saying good things, not thinking good things, and treating people poorly**
  - Will bring disrespect from others
- **Lying, cheating or stealing**
  - Bad decisions in life and low self-esteem
- **Bad language**
  - Others will have less respect for you
- **Not respecting yourself and others**
  - More likely to make poor choices in your life
- **Not forgiving and not asking for forgiveness**
  - Will cause you more harm than good in your life
